### Job Description

At Selligize, we create some of the most complex Business Software. Our end-users work on a lot of data and documents, and your job will be to make sure that these software work perfectly, and are pleasantly easy-to-use.

It does not matter how much you scored in that irrelevant history exam. If you love coding and if you are confident that you can design & develop software that feels smooth, easy-to-use & even magical, then we will love to have you on-board ASAP.

Please do not apply for this position if you do not enjoy new technologies or if you struggle with programming. Most of the projects at Sellergize are challenging. A good programmer will enjoy these challenges. But if you are not a good programmer, then you will only make your life miserable. So think twice before you apply. We hate terminations.

The ideal candidate will be highly creative, have strong logical reasoning, and should be familiar with various web technologies. You should be very comfortable with learning new technologies and improving coding skills all the time.

## **Eligibility Criteria for Sellergize off campus hiring 2021**

B.E./ B.Tech / B.Sc IT. (Only Computer and IT branch of engineering will be considered for this opening)

Minimum 70% marks in Class 10th and 12th, or diploma

Minimum 55% aggregate in all Semesters of Graduation.

Must be a resident of Mumbai or nearby suburbs or should be willing to relocate.

Should not currently have any pending KT, arrears or backlogs.

Graduation from Open Universities & Correspondence will not be considered for this opening.
